*From the Pastor's Heart*

Beginning Monday night, February 7, we will begin our week of prayer for Beallwood. Each year for several years, excluding last year, we have spent a week in January or February praying for the specific needs and concerns of our church family. We will begin this on Monday night, February 7, and conclude on Friday evening, February 11. The prayer meeting will last only one hour. We will begin at 6:00, and it will close at 7:00. I want to appeal, ask, and encourage our church family to please attend this prayer time during that week. Our church family needs to pray together; we need to seek the face of God and bring before the Lord many of our personal needs and the cooperate needs of our church. I know that we are again having issues with the virus, but we will have ample space for everyone to social distance. The prayer needs for that week are significant. Each night will have a different focus. After an opening song, opening welcome, and prayer, we will share the needs for that night, and then we will begin our prayer time. The prayer time will conclude with a closing Scripture reading at 6:55, and then we will be on our way home. The prayer focus on Monday will be the Beallwood family and her spiritual needs; Tuesday will be our Read Georgia initiative with Allen Elementary (Staff from the School will be present); Wednesday will be the City of Columbus, with Mayor Skip Henderson being present to share the critical needs of our city; Thursday will be Cross Over 907, with Jimmy Blanton being present to share critical needs from that zip code; and on Friday we will be focusing on the mission opportunities for 2022.

I read this quote years back from Oswald Chambers about prayer. May I share this with you to encourage us all to come to the week of prayer. "We tend to use prayer as a last resort, but God wants it to be our first line of defense. We pray when there's nothing else we can do, but God wants us to pray before we do anything at all. Most of us would prefer, however, to spend our time doing something that will get immediate results. We don't want to wait for God to resolve matters in His good time because His idea of 'good time' is seldom in sync with ours."

May the Lord bless you and give you His grace and power each day. May He guide us all to seek His face. I will see you on Monday night!

*Brother Billy*

Help in Time of Need!  
Hebrews 4:14-16

Do you find yourself at times in great need? Does life seem to be overwhelming?  
Are the demands more than you can meet?

There is help! Yes, the help is promised to those who need it!

It was a different time, place, circumstances, and people, but they too needed help.

The message of Hebrews is a word of encouragement for believers to endure  
and be faithful.

Believers then and today can endure because we have one to help us.

What do we do in time of need?

Remember we have a \_\_\_\_\_ to help us (vs. 14a)

- Because of what He has done
- Because of who He is

Remember we have a \_\_\_\_\_ who will save us (vs. 15)

- Because of what we need
- Because of what He can do

Remember we have a \_\_\_\_\_ that will provide for us (vs. 16)

- Because of how we come
- Because of what we receive
