From the Pastor's Heart

The Word of God declares openly that one of the greatest responsibilities of parents is that of training their children in the ways of the Lord. Paul echoes this sentiment in **Ephesians 6:4**, **“And you, fathers, do not exasperate your children to wrath, but bring them up in the training and instruction of the Lord.”** Paul envisioned that fathers would be one of the major influences in the spiritual life of their children. Today, we will be having a Parent/Child dedication service for the Benson, Taylor, and Woodall families. This service is always a very meaningful time for the parents, children, and our church family. The parents commit to walk with the Lord, to love Jesus faithfully, and to nurture their children in the way of the Lord. It is also a time for our Beallwood family to publicly commit to the families to join them in this partnership to nurture their children in the ways of the Lord. We have an awesome task and responsibility to think about as we walk with these families. May the Lord help each of us to be an example and to encourage these young families to love the Lord and to walk in His ways. May the Lord give us all wisdom as we seek to raise a godly seed for God's glory.

G.R.O.W. is one of the strategies that we have used in the past to do outreach. We have been training the ones participating in G.R.O.W. Monday, April 18, will be our first visitation attempt at 6:00. I want to encourage and appeal to our church family to make every effort to participate in visitation that night. This will be the Monday following Easter, and we should have several guests and others that we will want to visit.

Thank you to each one who participated in the “CrossOver 907” event on Saturday, March 26. Brother Jimmy appreciates each one who helped us reach out to this unchurched area of Columbus. May the Lord bless each of you for your participation.

The Annie Armstrong North American Mission Offering is underway. We want to be faithful to pray, give, and go whenever the Lord provides us the opportunity. Our goal is ten thousand dollars, and I want to encourage us all to give sacrificially so that we might help spread the gospel and reach North America. God bless each of you, and may the Lord be glorified in our lives.

Building a Spiritual Heritage
Psalm 78:1-7

The psalm before us today is a testimony of the greatness of God to Israel.

The purpose of the Psalmist in writing this psalm is to demonstrate the value of spiritual/religious instruction.

The Psalmist is concerned about building a legacy of faith in the present generation and generations yet to be born.

How can we build a legacy of faith?

The _____ of our calling (vs. 1).

The _____ of the testimony of Israel (vs. 2-3).

The _____ to tell the story of redemption (vs. 4-5).

The _____ of passing on the story of God and redemption (vs. 6-7).

The ways of building a legacy of faith!

- _____ with and for your children.
- _____ your personal story of faith.
- _____ a life of obedient faith.
- _____ them in the seasons of life.
