*From the Pastor's Heart*

We celebrate the beginning of the "Read Georgia" partnership with Allen Elementary. What a joy to have such a wonderful representation from our church. This is a great opportunity for our fellowship to build relationships and influence families at Allen. And one of the greatest benefits is to help the children develop their reading skills, which will influence them for a lifetime. Please pray for the partnership as we move forward.

"CrossOver907" will be Saturday, March 26. Our Columbus Baptist Association is leading the effort to reach the most unreached zip code in South Georgia. Beallwood will be participating in the outreach commitment. If you are interested in serving in the door-to-door visitation or in the block parties, please call the church office so that we can contact the Columbus Baptist Association.

G.R.O.W. is an outreach initiative that Beallwood has used for several years. The dynamic of this outreach is that a person is only asked to visit one time each month. We are in the process of starting it in April. Training is currently taking place and will continue on Sundays, March 27 and April 3, at 5:00 in the office complex. We still need additional team leaders for the weekly visitation groups. Please call the church office if you have an interest in serving.

A Vacation Bible School leadership meeting will take place on Sunday, March 27, at 4:00 in the office complex. We are asking all leadership and those interested in serving to please be present for this meeting in preparation for June. If you have additional questions, please see Amy Miles.

May God's grace and peace be yours today. Please remember to sign up and be part of Easter Sunday activities beginning at 7:30.

*Brother Billy*
