From the Pastor's Heart

This morning as we gather, we will have the privilege of observing the Lord's Supper in our time of worship. It will now be our commitment to observe the Lord's Supper each month. May I make you aware that one of the ways that we approach the Lord's Supper today will be to ask you to please pick up your Lord's Supper elements as you enter worship. The elements will be pre-packaged and very easy to handle. Please hold on to them, and be prepared to use them at the designated time during worship. This will be different, but we want to be as considerate of time and of the spirit of worship as possible.

As we approach March, we will be preparing for the Annie Armstrong North American Easter Offering. Our goal is ten thousand dollars. This offering is specifically designed to influence and impact North America. Each dollar given goes to support the proclamation of the gospel and the reaching of the many people groups that are in North America. May I encourage each church family to prayerfully consider their individual gift to the annual North American Mission Offering.

The Church today finds herself in a unique and challenging time. Our nation is facing some of her most difficult challenges. We have had difficulty in the past, but it seems that the moral and spiritual fiber of our country is collapsing around us. Some see this as the death of our Western civilization, the imploding of our capitalist way of life, and the shifting of political/economic powers. We all have our opinions as to what is happening in America. And there are beyond doubt some things that need to change. But the change that I long for and pray for is for the Church to return to her biblical, spiritual, and godly foundations. We do have great needs and concerns in America today, but the Church of the Lord Jesus Christ and His gospel are the answer to our problems; she is not the problem.

Through the years, some have fought for, wished for, and worked toward freeing America from any biblical, spiritual, and religious influence. Our love for God and our devotion to His Church have not ushered in the current unprecedented slaughter of human life, the deterioration of morals, the destruction and demise of the American family, the lack of respect for law enforcement, and the hostile and angry climate that now dominate American life. By this I do not mean that the Church is innocent and that we have done all that we should have done. Peter reminds us in **1 Peter 4:17: "For the time has come for judgment to begin at the house of God; and if it begins with us first, what will be the end of those who do not obey the gospel of God."** What we need today is a deep, earth-moving, heaven-sent, life-altering revival. We need the manifest presence of God to fall on all of us in a new way. May I ask you to please join me in praying that the Church in America will experience revival and that the Beallwood family will know and experience revival. My fear is that, if we don't experience a profound move of God and revival, we will perish.

May the Lord bless and keep you today. May the love of our Lord and the power of His Holy Spirit empower us today.

Brother Billy

“Come to the Table in a Worthy Manner”
1 Corinthians 11:17-34

The Church celebrates two ordinances that every local church should celebrate faithfully.

Paul is providing instruction to the church at Corinth about worship.

It is significant that Jesus introduced the Lord’s Supper during the Passover Meal.

The Church often had fellowship meals that they celebrated, followed by communion.

The Corinthian Church was facing some challenges in how they celebrated these fellowship meals and communion.

How can we approach the Lord’s Supper?

The _____ for the church. (vs. 17-22)

The _____ of the church. (vs. 23-26)

The _____ to the church. (vs. 27-34)

How will we approach the Lord’s Supper?
