*From the Pastor's Heart*

As we move toward the partnership with Allen Elementary, may I appeal to our church family to please pray for this opportunity. The Lord has opened a door that will allow us to minister to educators at such a time when they need love, support, and encouragement. Though many of our people have volunteered to assist with the *Read Georgia* initiative, there are other ways that you can volunteer to assist with this partnership. Consider helping with other needs as we get more involved in the partnership.

There will be a brief informational meeting for Vacation Bible School following worship this morning. May I encourage those who are interested to please stay for the meeting. Vacation Bible School is June 6-10, and, hopefully, we will be able to move closer to normalcy as we move further from the pandemic.

The Lord's Supper will be part of worship on Sunday, February 27. As we move toward observing the Lord's Supper, may we all give prayerful and intentional thought to the preparation of our hearts for that Sunday morning. The Lord's Supper is a time for us to remember the covenant relationship that we share with our Heavenly Father. It is a time for us to look inward and prepare ourselves to come to the table in an honorable way. May we give careful thought to our commitment to the Lord. Paul reminds us in 1 Corinthians 11:28 to examine ourselves as we approach the Lord's Table. It is important when we partake of the cup and the bread that we do so in an honorable and worthy manner. Paul did not say we had to be worthy, but that we should partake of it in a worthy manner. May we prepare our hearts this week as we move toward Sunday.

May I ask our church family to pray as our Personnel Team begins to address the Minister of Music position. The pandemic has significantly challenged all of our congregations as they have sought to fill staff vacancies. The Personnel Team is beginning to prayerfully work on this position. We are thankful for Scott Bush and all that he has done to assist us over the course of the last two years. It is hard to believe that it has been two years, almost to the week, since we began to hear the first words about a virus and pandemic.

May we be faithful as the people of God to our Father and to this fellowship. I know that the pandemic is still a challenge in some very real ways, and we all need to be prayerful and careful. But may I challenge our family to prayerfully begin to make every effort to return to full engagement in body life. We all need to be back in Sunday School, worship, and the other activities of the church. We need to get back to normalcy. God bless you as we move forward.

*Brother Billy*

## When God Rescues

Have you ever seen the television series, “Rescue 911”?

There can be several kinds of rescues. Do you know anyone who could use a rescue?

Rescue from what? From disease? From mental illness? From dangers in nature?

From dangers in the streets of our cities? From human trafficking?

How about from personal sins: addictions like gambling, substance abuse, pornography?

Other besetting sins: emotional outbursts, withdrawal from life, pessimism,  
fault-finding, ridicule?

Original sin as in Salvation?

- 1) He is not \_\_\_\_\_; He hears the cries of those who call out to Him. (Mark 4:38-39; 5:6-8).
  
- 2) He \_\_\_\_\_ people from all sorts of things: \_\_\_\_\_ (Ps 107 v2); \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_ (vv 4-9); \_\_\_\_\_, \_\_\_\_\_ and \_\_\_\_\_ (vv 10-14); \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_ (vv 17-20); \_\_\_\_\_, \_\_\_\_\_, (v 40).
  
- 3) He \_\_\_\_\_ our praise. (Ps 107:1-2, 8, 15, 21-22, 31; Mark 4:31).
