From the Pastor's Heart

Resurrection Day is approaching! We anticipate a wonderful day on Sunday, April 17, as we plan for Easter. Every day there are signs that we are moving further and further away from the pandemic. The last two years have been a journey. My prayer is that we will have great attendance for both worship services and for Sunday School. May I again remind our church family that we will need to make reservations for the meal at 8:30. We also will be having the Lord's Supper at the 10:45 worship service. My mind is filled with the words of one of our great hymns: "He lives, He lives, Christ Jesus lives today, He walks with me and talks with me along life's narrow way." What a joy to know that Resurrection Day assures us of a living "Savior and Lord." He is not dead, but alive! May the Lord pour out His precious Spirit upon us anew as we look forward and move toward Easter.

G.R.O.W. will begin on Monday evening, April 18, at 6:00 in the office complex. We need as many participants as possible that night for letter-writing, phone-calling, visiting, and praying. It has been several years since we have had G.R.O.W. This will be the first planned visitation event in more than two years in the life of our church because of the pandemic. We will have several contacts that need to be made, and we need your help. So please call the office and let Gayle know that you plan on participating in G.R.O.W. on the 18th of April.

The Lord has been gracious to use Beallwood in Mexico for more than fourteen years. We have built a partnership there that has strengthened the churches, helped pastors develop and be educated in their pastoral responsibilities, developed leaders, led people to the Lord, built furniture, and strengthened God's work in so many ways. This year will be our first attempt in returning for more than two years. We need a good representation of people to go this year. Things will be a bit different, but we have an opportunity to continue to build the kingdom of God. Please call the church office and make plans to go this year. We will have a Q/A time on Sunday, May 1, at 3:00 in the office complex for all who would be interested in going.

May the Lord bless and keep you this day. May the Lord Jesus be exalted in our lives and fill us with a joy to serve Him. Jesus is Lord!

Embrace the Cross
Galatians 2:20

The cross of Christ is the door to salvation!

The context of this verse is where Paul confronts Peter about his hypocrisy demonstrated toward Jewish and Gentile believers. (Acts 15)

F.B. Meyer said, “this is Paul’s confession of the power of the cross in his own life. It stood between him and the past. His self-life was nailed there, and this new life was no longer derived from vain efforts to keep the Law, but from the indwelling and overflowing life of Jesus.”

As we enter Holy Week, for us to appreciate Resurrection Day and enjoy it’s victory, we must understand and embrace the cross.

What does it mean for us to embrace the cross?

It is our _____ in Christ (vs. 20a).

It is our _____ by Christ (vs. 20b).

It is our _____ with Christ (vs. 20c).

Thank you for the Cross!
