*From the Pastor's Heart*

“He is not here, but He is risen.” The most impactful words ever spoken to the human heart! Jesus is alive! It is a joy to gather this Easter morning and worship the living Savior and Lord. No one has hope like believers. May we worship our Lord today with an unwavering and lavish love that will move us to give Him our lives and our love.

As we give thoughtful attention to Easter, it is what happened after Easter that is so moving and encouraging. I know that we have heard the story again and again. I am convinced that familiarity does breed contempt. We have read, listened to sermon upon sermon, and listened to others talk about the events following the resurrection of Jesus and the day of Pentecost. The out-pouring of the Holy Spirit should bring great hope and encouragement to the Church today. The Church, as she moves out of the pandemic, finds herself weak, wondering, struggling, and gasping for her spiritual breath in many ways. Some believers are discouraged, others are disillusioned, and a few are chiseling the tombstone of the Church to prepare for her burial. But our Lord promised His disciples that He would be resurrected, and He was; and He promised His disciples He would return, and He will. It is time for the Church to remember that His second coming is as sure as His crucifixion and resurrection. May God help us to go as Jesus commanded us.

G.R.O.W. will begin on Monday evening, April 18, at 6:00 in the office complex. We need as many participants as possible on that night for letter-writing, phone-calling, visiting, and praying. It has been several years since we have had G.R.O.W. This will be the first planned visitation event for over two years in the life of our church due to the pandemic. We will have several contacts that will need to be made, and we need your help. So please call the office and let Gayle know that you plan on participating in G.R.O.W. on the 18<sup>th</sup> of April.

May the love of our Lord and the power of the Holy Spirit fill us and consume us. May we all live this week in the power of the resurrection. He is alive, and we are blessed.

God Bless You,

*Brother Billy*

Embrace the Resurrection  
John 20:1-31

He is not here, for He is risen!

For the believer, that message of the resurrection is foundational and one of hope!

For many it has very little meaning. For the Jewish community, it never occurred; for the Muslim, it's unaccepted; for the secularist, it is a holiday that is not necessary; for many Americans, it is a religious day and a trip to worship; and for others, it's just another day.

For one to reject the resurrection is to reject the One who was resurrected!

How did they embrace the resurrection?

Mary moved from weeping to **joy** (vs. 11-18).

The disciples moved from fear to **courage** (vs. 19-23).

Thomas moved from doubt to **assurance** (vs. 24-29).

All must move from unbelief to **belief** (vs. 30-31).

Jesus is Alive!
