From the Pastor's Heart

What a blessing it was to gather on Resurrection Day! It was good to see the best crowds we have had since the beginning of the pandemic. I pray that this is a sign of better things to come. Each service was well attended, the singing was magnificent, the food was delicious, the fellowship was encouraging, and the worship exalted our Lord. Thank you to the men who prepared our morning meal and provided that great time of fellowship around the table.

I deeply appreciate the music and the excellent singing by the choir and Scott. We often don't consider the effort that goes into preparing and singing in the choir. My heart was lifted and encouraged by participating in the wonderful singing that magnified the cross and the resurrection. Thank you, Brother Scott and choir; we appreciate all that you do to exalt our Lord.

May I make an appeal to everyone who is interested in participating in the Mission Mexico or Mission Samaria trips this year. There will be a meeting in the Fellowship Hall on Sunday, May 1, at 3:00 PM for the purpose of sharing information and answering questions about these two trips. The Mission Samaria dates are July 9-15, and the Mission Mexico dates are July 16-23. All interested parties are encouraged to please be at this meeting on May 1.

May I remind all about the Annie Armstrong North American Mission Offering. We are close to reaching our goal, and I know it is one that we can reach. God has blessed Southern Baptists for many years. We have been one of the leading missionary forces in the world. I say that humbly. I am not ashamed of being a Southern Baptist. We live in a day when there is very little loyalty to any denomination. I know that when we get to heaven denominations won't matter. In the meantime, I am a follower of Jesus Christ first, and a Southern Baptist second. And I will not apologize for being part of, and committed to an albeit imperfect denomination that seeks to preach Jesus Christ and Him crucified and to apply what we believe by sending missionaries all over the world to share the gospel and lead people to the Lord. North America needs our prayers, commitment, and devotion; let's give for God's glory and help to reach our nation.

May the Lord be honored and glorified in our lives as we live for His glory each day. I love you and thank the Lord for this fellowship.

After the Resurrection, Now What?
Luke 24:44-53

The crucifixion and the resurrection changed everything for the followers of Jesus Christ.

Jesus spent forty days after the resurrection at different times with His followers, teaching them the scriptures.

The time would arrive when Jesus would depart from His followers and return to His Father.

But now that the resurrection is passed, what were those followers then, and what are we as followers now to do in the aftermath of the resurrection?

What should the church do?

We should give unwavering _____ to the Lord.

We should seek to give uninhibited _____ to the Lord.

We should give unrestrained _____ to the Lord.

We should give undivided _____ to the gospel.
