From the Pastor's Heart

A special thank you to all the leadership who helped with **Vacation Bible School**. We deeply appreciate Amy Miles and the leadership that she provided in leading our school this year. There was great Bible teaching on the life of Christ. This is such a vital week in the life of our church. So thank you, ladies and gentlemen, who worked to make this such a great week.

The **Baby Bottle Boomerang** will come to a close today. We all need to turn in our bottles to support **Sound Choices**. May I encourage everyone to please turn them in today or bring them by the office this week. **Sound Choices** will pick the bottles up this week. Thank you, Beallwood, for supporting this great ministry that helps to minister to women in a time of crisis.

The **Call to Prayer** for the months of June, July, and August is for the purpose of challenging our church family to seek the face of God as we prepare for our future. The days ahead are very important and critical days as we prepare for 2023. We need the wisdom and insight of our Heavenly Father; He knows the future because He has already been present in eternity future. Prayer is our greatest need and our greatest help. May I challenge our deacons and wives, Sunday School teachers, and each member to join us each Wednesday evening at 6:00 in the Sanctuary to pray.

The deacons and I have been working and talking about a process that will prepare **Beallwood** for the future. The deacon body will bring a recommendation to the church family on August 14 at our next church conference for Jimmy Blanton to assist in our transitional process. This will be an excellent move as Jimmy joins us at different times to assist in helping our church prepare for her future. I want to encourage the church family to please take the time to look again at the Transition Timeline that I have provided for the church family; it will be most beneficial as we move forward to help each one understand that we are seeking to prepare our fellowship for future success in discovering God's will. The future is bright, and the opportunities will be plentiful for us to see the Lord work in marvelous ways.

Mission Samaria and Mission Mexico teams are preparing their teams for July 9-15 and July 16-23. I know that I always have suggestions about how people can help. Here are two things that our church family can assist with at this time. First, please begin to pray for these dates and teams. Second, if you are prone to help with a financial scholarship for team members, then just mark that on a blue envelope and turn that into the office.

May the Lord prepare our hearts for worship this coming Lord's Day. May the Holy Spirit empower us to share the gospel and to be faithful witnesses.

Brother Billy

Church Life
Is Church Membership Biblical?
Acts 5:12-16

Church membership among Christians today is not that important.

The Church is becoming more and more irrelevant in our culture.

Though the book of Acts presents opposition to the Church,
we do read of great health in the Church.

The majority of the New Testament was written to local
congregations to influence their spiritual lives.

What does the New Testament lead us to believe about Church membership?

The **definition** of words implies membership.

- Church (Matthew 16:18)
- Join (Acts 5:13)
- Whole (1 Corinthians 14:23)

The **description** of the Church implies membership.

- Body (1 Corinthians 12:27)
- Family (Ephesian 3:15)
- Flock (Acts 20:28-29; 1 Peter 5:2)
- Stones (1 Peter 2:4-5)

The **doctrine** of the New Bible implies membership.

- Church discipline (Matthew 18:15-17)
- Pastoral leadership (Acts 20:17, Titus 1:5-7)
- Spiritual gifts (1 Corinthians 12:4-11)
- Worship (Hebrews 10:24-25)

How is your membership at Beallwood?
