From the Pastor's Heart

Lynn Story has served faithfully as our Financial Secretary for seventeen years. Thursday, June the 30 will be her last day as an employee of Beallwood. Lynn and Jim will remain as members of Beallwood but she will shift her focus from the office to helping with her grandchildren. We celebrate the significant impact that Lynn has had on the financial stability of Beallwood. She has been the most conscientious and trustworthy financial secretary that I have had the privilege of working with. I am grateful for her care and help that she has provided to me personally for these seventeen years. Lynn, thank you for seventeen years of faithful, dedicated, and conscientious service. We will miss you in many ways.

With Lynn's leaving, we welcome Kevin Earley to the staff as Financial Secretary. Kevin is a native of Columbus and attends Morningside Baptist Church. He has been in financial work for many years. Kevin will work on Tuesday and Thursday only from 8:00 – 2:00. One of the changes that is forth coming with Kevin becoming financial secretary is that he will not be serving or fulfilling any other task except finances. This position is being reduced in the number of hours, and the other tasks that Lynn fulfilled will be handled in other ways. I do want to make the church family aware of two changes. One is that any request for a check will be due in the office on Monday afternoon by 5:00 PM. Second, all cash money turned into the office during the week must be given to Gayle or Kevin and a receipt must be given to the person from whom that cash is coming and for what area it is going to. Thank you for helping the church office during this time of transition.

The series on "The Church" seeks to serve the purpose of assisting our church family in understanding the vital role of the local church community in our lives, and to assist each member of Beallwood in taking ownership of their role at Beallwood. For many years we have heard the statement that 20 percent of the people do 80 percent of the work. That may not always be true, but we at Beallwood are not far from that reality. Some may take this statement as not being positive, loving and encouraging. However, it is meant to be just that for our family. This statement is meant to be loving and motivating to help each member of the church. Faithful membership means that you are actively engaged in the life of the church by coming to Bible Study, attending worship weekly, giving to the church faithfully. A faithful member does not mean coming twice a month, attending Bible Study once in a while and giving to the church when I can afford it. So may I encourage each member of the church to be active in worship during the summer months and listen carefully to the series of messages that deal with Church Life.

Just a reminder to all of the eligible men in the church that are giving consideration to your name being presented for possible deacon election. The blue card and questionnaire are due in the office on June the 30th.

May the Lord bless and keep us all in His will. May we all be faithful this week in sharing the gospel with someone who the Lord brings across our paths.

Church Life
I will be a Functioning Church Member
1 Corinthians 12-14
June 26, 2022

Years back I succumbed to the temptation of American Express,
“Members have benefits.”

The advertisement of American Express has become the
mantra of many church members.

We established last week that church membership is biblical
because of doctrine, description, and definition of words.

Are you a functioning church member?

A functioning church member recognizes the _____. (vs. 1-6)

A functioning church member recognizes that each one is _____ and
each one is _____. (vs. 7-11)

A functioning church member _____ their gift and _____ the
responsibilities. (vs. 12- 30)

A functioning church member _____ love in all matters. (12:31-13:13)

A functioning church member will _____ the church by _____ their
part. (14:1-26)

Will you be a functioning church member?
