From the Pastor's Heart

This morning during worship, the church family will have the privilege of hearing Chuck Enfinger preach. We all love and appreciate Chuck's commitment to the Lord. I know that you will be blessed through his preaching and teaching. Please pray for him this morning, but also pray for Chuck as he provides leadership for the new ministry, "The Narrow Way." He is seeking to make a difference in the lives of those who have been bound by addiction and are attempting to start a new life.

This morning as you gather for worship, there will be a group from Beallwood on mission in Tapachula, Mexico. The group will be discipling nine women each day from 10:00 – 2:00 in the little village of Nueva Libertad. Then we will be having a Family Life Seminar at Emmanuel Church, Sunday night through Friday night. We will be teaching and discipling ladies, men, and students and focusing on family issues each night from 6:00 – 8:00. During the day from about 8:00 – 4:00, the men will be working on repair work around the church at Emmanuel and doing some renovation. We desperately need your prayers because of the impact that we can have on the families that week. They are facing enormous challenges there in their church among their families. Pray for the Holy Spirit to anoint us in our teaching and to help us to be able to deal with significant subjects that can help the church.

May I please ask the church family to pray for one another and for the church body as a whole. We are going to begin to prepare more and more for the future ministry of our church. There will be a letter and email that will go out this week, highlighting some significant decisions and meetings that will assist the church in preparing for her future. Please take the time to read these thoroughly, and please pray for each of these meetings and decisions.

May the Lord bless you throughout this day. I love you and thank the Lord for each of your lives. May we all be faithful in serving our precious Lord and Savior.

Brother Billy

Sunday, July 17 Schedule
