From the Pastor's Heart

These days are vital to the fellowship of Beallwood. This evening at our **church conference** the deacon body will bring a recommendation for the church to invite Jimmy Blanton to become our transitional leader. If approved, this will set in motion some very important and significant days for this dear fellowship. For each family, there will be a copy of the covenant that the church and Brother Jimmy will enter. May I encourage our family to be present tonight as we begin to move forward in the implementation of the transitional partnership.

Last Sunday, the church elected Jim Story and Jimbo Williams as deacons and approved Dee Williams to continue to serve for another year. We are blessed to have men who understand the role and importance of **deacon servants**. These men are not perfect, just as their pastor is not perfect, but they understand that God can take men, reshape us, revive us, and renew us, and make us men who serve the bride of Christ. I am very grateful for our deacon leaders. Gary Allen, Chuck Enfinger, Wayne Robinson, Jim Story, Dee Williams, Jimbo Williams, and Tommy Williams will be serving as deacons for the 2023 year. It is important that you continue to pray for these men as they serve at a very significant time in the history of Beallwood as she looks for God's man to come and lead the church. They are committed to Beallwood and want to love, support, and minister to the bride in these days; please encourage them and also pray for them.

The **listening sessions** for our church family with Brother Jimmy Blanton are quickly approaching. Sunday, August 21, at 2:00 those whose last name begins with A-G will meet; Sunday, August 28, at 2:00 is for those whose last name begins with H-Q; and the last group will be at 5:00 on that same day for those whose last name begins with R-Z. However, please know that if for some reason you cannot attend at your designated time, you can attend at another time. What Jimmy and I are hopeful for is that our church family will be equally dispersed among the three groups to allow maximum input from all. Please call the church office to select your time.

Every Member in Ministry is Beallwood's attempt to engage each member in the ministry of our fellowship. This week, *Every Member in Ministry* material will be mailed to each family. I am asking and praying for our greatest response ever this year. Each member of our fellowship should be serving on a ministry team to help our fellowship have the greatest impact for the Kingdom of God. It takes each member serving in some area of ministry to ensure that what God wants our fellowship to do is done in a way that honors Him. When members of this fellowship don't serve, it puts greater stress on the church and causes dysfunction rather than spiritual health. Please complete the forms, turn them in by September 30, and prepare to attend the leadership training in November.

May the Lord be honored in all our lives. I love you, Beallwood, and I am forever grateful for this dear fellowship and the ministry that you provide and the love that you give to those around us. Keep loving one another.

I Will Treasure Church Membership As a Gift!
Ephesians 2:8-10

We have been looking at what God's Word says about church life.

We have discovered that God's Word makes it clear that one's relationship to a local church is important.

Jesus said in Matthew 6:21, "For, where your treasure is, there will your heart be also."

There are many things that believers can treasure, but none as important as that of church membership.

We are facing an avalanche of disturbing trends that makes it increasingly difficult to treasure church membership.

How can we treasure our church membership?

We should _____ in our church membership.

We should _____ church membership.

We should _____ our church membership.

We should _____ in our church membership.

We should _____ our church membership.

Are you treating your church membership as a gift?
