From the Pastor's Heart

The devotion, “**Come to the Lord’s Table,**” has been a very good time for our church family. I deeply appreciate each member who participated and was part of helping strengthen Beallwood. I believe that the devotion will be beneficial to all of us as we come to the Lord’s Table in worship. This devotion also assisted us as a body in dealing with unconfessed sin, broken relationships, and other sin issues that we all face. May the Lord be honored in each of our lives.

May I make another appeal to the church family to please turn in your ***Every Member in Ministry*** forms this week. We are preparing to build the leadership teams for 2023 and to determine dates for each team to train. Please turn them in today through Sunday School or during worship.

The **Stewardship Team** has completed the budget for 2023. The church family will be receiving a copy of the budget today. We ask that you and your family look over the budget and prepare to give to the budget in 2023. The **Stewardship Team** will be hosting a budget discussion on Sunday afternoon, October 16, at 5:00 in the Sanctuary. This will provide the church family the opportunity to discuss the budget and to ask questions. The stewardship theme for 2023 is “Give and Do the Good Work,” an idea expressed at Nehemiah 2:18. The challenge is for each member of Beallwood to give to the budget and then help do the work that God has called Beallwood to do in 2023.

The **Memories Workshop** on Sunday, October 9, from 3:00 – 5:30 is valuable to our church family as we prepare to move forward in our Transitional Revitalization journey. This time will be very helpful to the church body and to Brother Jimmy Blanton as he becomes more and more engaged with the church family. Please pray for the workshop, and please plan on attending.

May God’s grace and peace be yours this week as we all walk with the Lord. May the Holy Spirit fill us moment by moment as we seek to share the gospel and honor our Lord.

Brother Billy

What Might the Lord Say to Us?
Revelation 2 & 3

Beallwood has a wonderful opportunity during this time of transitional revitalization.

It gives the church the opportunity to reassess herself and to reposition for the future.

We can learn valuable lessons from the seven churches in Revelation.

The challenge is to learn from Jesus, who is the ultimate reviver/revitalizer and the one to reposition the church.

What can we learn from the churches in Revelation?

Ephesus was to refocus on her _____ (2:1-7).

Smyrna was to refocus on her _____ (2:8-11).

Pergamum was to refocus on her _____ (2:12-17).

Thyatira was to refocus on her _____ (2:18-29).

Sardis was to refocus on her _____ (3:1-6).

Philadelphia was to refocus on her _____ (3:7-13).

Laodicea was to refocus on _____ (3:14-22).

How would the Lord want Beallwood to refocus?
