From the Pastor's Heart

This morning during worship, the church will take another significant step in the transitional period. The church body will be electing the **Transitional Search Team** that will be entrusted with the responsibility to search for the next Pastor of Beallwood. We asked in May that the church prayerfully seek God's face in prayer during these days and months and asked the Lord to guide the selection of this team. This morning as the church votes, she will be choosing seven individuals to serve on the team. The team will also have two alternates who will be the top two persons with the next highest number of votes. The Lord has always provided wisdom and guidance to His people as they sought Him in prayer. May the Lord be honored and His name glorified as the church makes this decision.

Every Member in Ministry is our opportunity to use our spiritual gifts in the ministry of the church. May I say thank you to each member who has turned in your *Every Member* enlistment document. Your volunteerism will be most helpful in preparing the teams for ministry in 2023. May I appeal to each member of the church family to turn your document in as soon as possible. Please remember that we will have a time once the recruitment period is over to prepare each team for ministry in 2023.

Mission Georgia is the joint effort of Georgia Baptist churches to reach our state with the gospel. The needs are many, and the gospel is the only hope for our state. Yes, people have many needs as we have learned. And what we offer our state matters. Yes, human trafficking is a challenge, and our commitment is to provide help to those who are caught in this web of sin. Yes, there are needs for those who are internationals who come from near and far, and though they need food, shelter, jobs, and other critical needs, we don't want to just provide them food for their stomach and clothes for their back; they also need to hear the gospel. The story of the life, death, resurrection, and return of Jesus Christ and how he died in their place so that their sins can be forgiven is their greatest need. May we as a church be faithful to pray, give, and share the gospel with those in our state.

God bless you, Beallwood. May God's grace and peace be yours today, and as we gather to worship, may King Jesus be the focus of all that we do. May His name be honored and exalted above every name. I love you in the Lord and thank the Lord for you.

Examine Yourself
1 Corinthians 11:27-34

The Lord's Table is one of the richest and most meaningful dynamics in our worship life.

The Lord's Table is an appeal to the body of Christ to remember the cost of our redemption.

Paul writes out of concern for the Corinthian Church for their neglect and mishandling of the Lord's Table.

What was to be a rich part of their worship was now being grossly abused by the church

What can be done to enrich our worship at the Lord's Table?

The _____ that existed. (vs. 27)

The _____ that was needed. (vs. 28-29)

The _____ that is to be avoided. (vs. 30)

The _____ that is sought. (vs. 31)

The _____ we can gain. (vs. 32)
